Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This Annual PHA Plan will provide any individual with an understanding of what role the Public Housing Authority of Center plays in the community. Presently changes will need to be made to rules and regulations in order to update and maintain Administration, Maintenance, and Public Housing residents. Housing Authority of Center will encourage achievement of goals through various objectives. It should give an idea of the financial status, housing statistics, and various other information, in both Public Housing and Section 8 programs, to continue to receive funding and apply it as needed for this community.

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

State the housing needs of the families on the PHA's waiting list/s. Complete one table for each type of PHA-wide waiting list administered by the PHA. PHAs may provide separate tables for site-based or subjurisdictional public housing waiting lists at their option.

The Housing Authority of Center combines both Section 8 and Public Housing waiting lists. We have the option to offer a unit when it becomes available either in Section 8 or Public Housing. We have combined both waiting lists due to the need for Housing immediately.
